

Curriculum Vitae

Name: Alireza Saied

Date of Birth: 5 January 1970

Nationality: Iranian

Marital Status: Married, two children, one girl and one boy

Address: Dept. of orthopedics; University of medical sciences, Kerman, IRAN

My home address: Alireza Saied

11 Hezaroyekshab 4th Avenue, Kerman, Iran
Post Code: 76186_4447

Telephone: 989133410521-983412476432-983412476431

Telefax: 983412260100

Qualifications: Diploma – Iran September 1987
Taleghani high school, Kerman – Iran
M.D. – Iran September 1994
Shiraz University of medical sciences
National board of orthopedics – Iran
October 2001- Kerman university of medical sciences
Hand and microsurgery fellowship
Shafa-Yahyaian Hospital, Tehran Iran
Iran University of medical sciences
February 2006 to July 2007

Positions held:

January 2010 on
Consultant orthopedic and Hand- peripheral nerve surgery
Associate Professor of orthopedics
Kerman Medicine University

March 2004 to July 2007
Assistant professor of orthopedics
Consultant orthopedic surgeon
Assistant professor of orthopedics

Kerman Medicine University
Oct 2001 to March 2004
Consultant orthopedic surgeon
Assistant professor of orthopedics
Bandar Abbass Medicine University

October 1997 - October 2001
Orthopedics resident - Training
Kerman Medicine University

September 1994 – September 1997
General physician,
Army physician (Sep1994 -6)
Kashani Hospital Kerman
(Sep1996 – 7)

Experience:

Aside being training in hand surgery in Tehran, as an assistant professor and consultant orthopedic surgeon in Dr. Bahonar hospital, Kerman, I have been training residents of orthopedics since March 2004. I have managed several cases of congenital anomalies, tumor, infection, arthroplasty, tendon transfers and especially cases of trauma (Multiple trauma, fracture and dislocations). Before this, as noted previously I was an assistant professor of Hormozgan medical university for two and half years in Shahid Mohammadi hospital, Bandar Abbass, on practice since Oct 2001. I have had excellent experience in orthopedic trauma surgery in my residency-training period, which has been well extended into my practice. I introduced classic Intramedullary nailing for tibia & femur fractures in Bandar Abbass for the first time. In non trauma cases my experience in Club feet, DDH, Legg Calve Perthes disease, bone tumors and poliomyelitis is not bad. My especial interest is in hand and microsurgery, in which I have taken a one and half year's course in a subspecialty center.

Research & publications:

Areas of Especial interest:

1– Hand & microsurgery 2- Shoulder & elbow surgery 3– Arthroplasty and arthrodesis

Hobbies:

I enjoy reading novels & watching movies. I attend regularly to my body fitness club. I am interested in chess, swimming & contact sports. I love my wife & enjoy traveling with her.

Membership Of professional bodies:

Member of Iranian Medical Association
Member of Iranian orthopedic association

Referees:

Abbas Salari M.D., consultant orthopedic surgeon
Dr Bahonar Hospital, Kerman, Iran.

Mahmood Karimi Mobarakeh, M.D., Consultant orthopedic surgeon
Dr Bahonar Hospital Kerman, Iran, Oversea fellow of kings' college hospital, London, England
